

2017 Delta Daze

Destination: Potato Slough

Date: August 5th through August 12th

Attention Delta Daze Cruisers,

It's time to pack up the cooler, apply the sunscreen and head up river. Delta Daze is just a few weeks away!!! Ed & Lori Lecco are your volunteer Cruise Captains for this year's trip to Potato Slough. If you're interested, please mark your calendars and let your cruise leaders, Ed & Lori Lecco (EdLecco925@gmail.com) know that you plan to go. More details will be coming in over the next two months but for now, here are the highlights:

Location:

Official Anchorage will be Potato Slough at Bedroom 2. Two marinas, Korth's Pirate's Lair, Willow Berm Marina are just 2 nautical miles away.

Events:

There will be a minimum number of events as this is a great "no plans" trip. You can plan on at least one BBQ that we will host at a marina and possibly a dinner at a local restaurant.

Things to do:

- Explore the slough via kayak or dinghy. Swim or float in an inflatable lounge chair. Go to shore and take a walk. Bring your boat projects along. Learn how to play guitar. Read. Go fishing.
- Expect a few cocktail parties on your boat or other member's boats. Bring some appetizers and BYOB to the boat hosting the cocktail party.
- Spend your day relaxing in your cockpit, reading a book, knitting, visiting other EYC yachts or doing whatever suits your fancy.

- Days typically are in the 85 to 95 degree range. Mornings are generally calm with afternoon/evening winds. This is an anchor out event. Holding ground is soft mud. Water temperatures are in the 70 to 72 degree range, cool enough to get your attention when you jump in but comfortable and refreshing once in. Bring your water toys, kayaks, pool noodles, etc., and don't forget a handy squirt gun.
- Nights are cool and good for sleeping.
- There is a mobile pump out service (The Septic Brothers) who will come out to the anchorage and empty your holding tanks if needed. Or a short Trip to Willow Berm Marina.
- Feel free to bring your dogs...we're going to have lots.

Remember that this is an informal cruise. Although we put together a fun agenda for activities, you can choose to involve yourself or not. .

Stay tuned for Delta Daze news.
