

The Encinal Sailing Foundation 2010 Sponsorship Opportunities

Dear Potential Sponsor,

It is simple! Become an EYC JR Sailing sponsor and get your company logo printed on our entire line of 2010 event shirts. As one of the best community based sailing programs in the Bay Area, our kids are active in your marketplace.

Cash donations can be made to The Encinal Sailing Foundation. However, many of our best sponsors show their support by providing goods and services. Encinal Sailing Foundation is a non-profit 501-C3 charitable institution. Your donations are tax deductible and help inspire positive youth development in the Bay Area.

It is donors like you, which make it possible for EYC JR Sailing to offer classes at cost. Thank you for helping us attain our goals in 2010. For more information on sponsoring a particular event please feel free to contact me at (510) 769-0221.

Regards,
Billy
