Rules

In order to charter a boat from Encinal Yacht Club Junior Program you must meet the following criteria:

- Charterer must be a junior sailor in good standing associated with Encinal Junior Sailing
- Charters are available on a first-come, first-served basis. Priority in chartering will be granted to club members, then participants in the program who are not members.

Waiver and Release

In consideration of the agreement of Encinal Yacht Club to charter a boat to _____
(hereby known as *charterer*), I agree to release, indemnify and hold harmless Encinal Yacht Club, its employees, members, directors, agents and insurers in the event of any accident or incident resulting in damage or injury during the charter period.

The charterer fully understands the risks associated with sailing and is familiar with the vessel or equipment being rented. The charterer also understands that this agreement is not a certification to use the vessel or equipment in all conditions and it is the duty of the charterer to only use the vessel or equipment in conditions in which they are capable. If the equipment or vessel is rented for use in racing, it is the responsibility of the charterer to assess if they are capable to handle the conditions, and in no way is the starting of a race by the race management an authorization or encouragement of the charterer to use the vessel in conditions in which they are not capable.

The charterer also is fully responsible for any expenses incurred due to damage, loss of property or personal injury suffered by Encinal Yacht Club, its members, any members of the charterer's party or any third parties resulting from the charterer's use of the vessel or equipment.

The charterer acknowledges the above rules of rental from Encinal Yacht Club and agrees to comply. The charterer also understands that failure to do so may result in repercussions in Encinal Yacht Club, including loss of privileges and revocation of membership.
