

EYC JUNIOR SAILING

A Sense of Normalcy

WRITTEN BY ELLIE GLENN

It was as if the tide had changed, and we returned to a sense of normalcy on the water. The change brought with it a renewed sense of passion and focus for the sailors. The last two seasons (spring & summer 2021) were filled with a lot of hope, but ultimately not as fruitful as we would have liked. With over 100 sailors this season, we were able to attend 2 PCISA events, 2 NorCal (regional) events, and 2 Bay Area Youth Sailing events. Our teams were able to travel to Monterey, Newport, Santa Cruz, Long Beach and around the bay to compete. It is starting to feel like normal again.

But, as we enter our third year of the pandemic, Covid-19 still continues to impact all aspects of daily living, from work to activities like sailing. While some restrictions have relaxed enough to conduct racing, we are still thankful for the ability to be able to take our boats out and sail.

We are also thankful for how compliant and responsible our community has been. None of this would have been possible without their cooperation.

A special thank you to those including Mike Gorman (motor boats), Lorenzo Puertas, Calin Smith and Damon Smith (trailers), Dan Siskind (fiberglass & docks), TJ & Kristen Connelly (Regatta PRO), Barb Grove (parent liaison), Allison Sojka (media), who have helped us throughout the winter season to gear up for another summer! Yes, we are already thinking of summer. Registration will go live on February 1st for Yacht Club members, and February 15th to the public.

A special congratulations goes to Marco Puertas (helm) and Alec Smith (crew) for winning this year's Fall Dinghy C420 class held at St. Francis Yacht Club. With this win they will be heading off to C420 Midwinters this upcoming February.
