GREEN GUPPIES

AGES 5-7

AM OR ALL DAY

Have fun, and gain confidence on and around the water while developing an appreciation for our marine environment (not a learn to sail class). Learn through a variety of sailing related activities; games, arts & crafts, boat rides and swim time.

Sailors will be separated by skill/age level so the curriculum will be skill/ age appropriate. Seven year olds will be taking a modified beginner curriculum.

BEGINNERS

AGES 8-12

AM OR ALL DAY

For those with little or no sailing experience, our Beginners learn skills to feel confident sailing a single handed dinghy. Learn safety, boat parts, rigging, knots, terminology, and points of sail. A combination of on and off-the-water learning including capsizing recovery, upwind sailing, tacking and jibing, launching and docking with an overall emphasis on comfort and FUN on the water.

TEEN BEGINNERS

AGES 13-18

AM OR ALL DAY

This class offers instruction in basic skills to achieve confidence sailing a double handed dinghy. Concepts include: capsizing recovery, sail trim, boat terminology, points of sail, upwind sailing, tacking, jibing, and safety, with an overall emphasis on FUN and becoming comfortable on the water.

INTERMEDIATE

AGES 9-13

AM OR ALL DAY

Pre-requisite: pass Beginners Sailing and desire to expand skills. More in depth instruction on rigging, sail shape, boat balance, sail trim, and safety are covered. As well as tactical skills; basic racing rules, tactics and strategy. The goal is to prepare the sailors who either want to race for the first time, or continue their training with the intention to race.

ADVENTURE SAIL

AGES 9-18

AM ONLY

Pre-requisite: Intermediate Sailing. Expand your skills with with multiple sailing experiences. Learn different types of boats, safety, navigation, and explore the science behind sailing.

RACE TEAM
