

EYC JUNIOR SAILING

Welcome to Winter and Spring Sailing!

It's hard to believe that the 2023 sailing season has come to a close — Summer and Fall sailing has passed us by in a flash, probably because we've been hard at work to keep up our mission of having as much fun on the water as we can, as often as we can! A truly exceptional group of young sailors makes up our High School and Race teams and have represented EYC with pride as they completed the fall high school season, attended regional events in the C420 and Opti, and achieved overall victory in the 2023 Summer and Winter BAYS series.

Our High School teams are well poised to rank well in the Pacific Coast Interscholastic Sailing Association as we head into the second half of the winter season. Needless to say, all 65 sailors from our 13 high school teams were eager to jump into the new season at full speed in September, attending more challenging events whenever possible. So far this season our teams have had a strong presence at all four of the NorCal (regional level) and PCISA (district level) CFJ regattas. We're so proud of how our sailors have conducted themselves and we can't wait to see what they'll do with the remainder of their season in 2024!

Sailors from all of our race team fleets should be filled with pride from their collective performance during our local Bay Area Youth Sailing (BAYS) regattas. We attended three summer events- Richmond, EYC, and SFYC - and our sailors put in the work to take home the series trophies in two fleets: Paul Cayard Perpetual (420)- Kyle Nguyen/Chase Carson (1), Marco Puertas/ Aaron Ziegler (2) and the CFJ Perpetual - Ellie Tucker/Mikela Ziegler (2).

EYC JUNIOR SAILING

We've already competed in the first two events of the 2023 Winter BAYS series at Richmond and PYSF and can't wait to attend the third event at SFYC in February! We also were lucky enough to send a team to the RS21 Regatta this past fall.

Our program is extremely grateful for the support of the Club and its members, and we're thrilled to be able to represent such a fine group of people when we attend regattas. We are extremely lucky to have great coaches for all our fleets, as well as an amazing group of volunteers to help us run all our programs!

Please feel free to stop by if you see us around the yard.

Congratulations to our 420 Teams for placing at the PYSF BAYS winter Regatta:

1st place: Kyle Nguyen / Chase Carson

2nd place: Emi Puertas / Mikela Ziegler

3rd place: Reid Sojka/ Joby Overton
