## From EYC President Charlie Thome

I hope this Soundings finds your family in the midst of a joyous and loving Holiday Season. Our friendly staff, festive decorations and delicious food make the Club a fun and happy place to visit and entertain friends and family during the Holidays. Our newly installed Board of Directors is also ready

to serve. We have a very strong Board this year consisting of long-term members, newer members and even two Staff Commodores. I am confident that we can take-on any and all challenges the New Year might bring.

One of our first challenges is recruiting a new General Manager. We have an interview committee in-place consisting of current and past Board members and representing Encinal Yacht Club's various constituencies. We have been interviewing some highly qualified candidates and are focused on selecting a manager who will be the best possible fit for our Club and Members.

Encinal Yacht Club is primarily a member-driven club that employs very few staff. I've always said that our Committees and members do most of the hard work here at Encinal. Committee Chairs, Committee members and our member volunteers are what make our Club great. Together, we can accomplish just about everything we set our sights on.

My personal goals this year include:

- 1) Providing maximum support to our Committees by insuring that each Committee has a Board Liaison assisting and advising. I want to personally attend as many committee meetings as possible and offer whatever assistance I can, when and where I can.
- 2) Improving inter-departmental communications and marketing of the Club by working closely with our new "Marketing and Communications" subcommittee. This subcommittee has the potential to increase our inter-relatedness and help stream-line communications as well as promote increased membership. We will be expanding our Print and Social Media presence.

3) Maintaining emphasis on repairing and improving the Club's physical assets by contributing to the pre-planning and execution of projects with Building & Grounds. We've seen terrific progress in this area over the past couple of years and will have many opportunities to continue that trend.

4) Insuring an excellent hand-off to 2020 & 2021 Sr. VP and VP by including our Sr. VP & VP in as many issues and projects as is practical. I was afforded this mentoring from Past Presidents Bill Nork and Neil Weinberg and am committed to the same process this year. Fred Rutledge, Rodney Pimentel and I have already begun assembling folders of important hand-off materials.

A couple of our committees have been restructured to help promote these goals:

- 1) The Membership committee is now Chaired by Mark Sneddon and has embedding within it our new "Marketing and Communications" subcommittee, Chaired by Meg Sneddon. This subcommittee is populated by Marketing professionals and has already begun a Survey program, among other projects.
- 2) Building and Grounds will continue to be Chaired by Tim Eaker and now contains a subcommittee titled "Gardening". David Weidner is Chairing this gardening subcommittee and will be in contact with members who have shown an interest in the further beautification of our Grounds.

Please be sure to complete your Club Surveys. This is a vital communication tool that will help to inform the Board of our Members' opinions, needs and desires.

**And let's not forget to have some fun! See you at the Club and on the Water!**

# From EYC Commodore Theo Rohr

Hope this message finds you feeling healthy and safe from the last couple of weeks of fire drama. I'm hunkered down in my cave as I write this thinking about what I can do for the people who have lost homes and family. For this year it will be monetary contributions

but I think my future efforts are going to be advocating for a safer power grid and better forest management.

I still think it's time to be thankful and look back at a year that our club got stronger and made significant progress. We have some challenges to face but it looks like we have the resources to deal with them. Hey, let's take a look at some of what we accomplished.

The beginning of the year marked the first time in a few seasons we had clear and credible financial picture. Our staff pulled together with the treasurer and the president and turned the ship towards better weather. I can't overstate how much better I feel as a board member knowing the club is financially healthy.

We saw improvements to the club house, grounds and docks this year. A member volunteer crew began the long overdue maintenance of our docks. By year's end they will have the initial phase #1 completed. Members refurbished the hoist area and repaired and upgraded both hoists. The boatyard was organized and cleaned up. Some storage area issues were cleaned up and the grounds and pool area were groomed and beautified again all by member volunteers. And speaking of pool area improvements, volunteers lead by our president and long time members built a wonderful Tiki Bar in the pool area. Volunteers have given all of us some great new improvements that will benefit the club for years to come. Thank you to everyone who pitches in, we appreciate it!

As Flag officers of our club, we are charged with

overseeing all the club activities on the water. That encompasses racing, cruising, club sailing, paddling, junior sailing, boatyard and management of the docks. In other words we get to have fun and meet lots of members every time we come to the club.

This year we had a great year racing on the bay and estuary. Some of the highlights were to name a few; Friday Twilight Series BBQs (not to be missed if you want to kick off your summer weekend). Our crack EYC Lipton Cup sailing team came a breath away from winning the big cup and took home the Peck Trophy for second place. We co-hosted the third year of what is becoming one of the west coast's premier offshore races as part of the California Offshore Race Week. As always we hosted one of YRA's signature weekend events the Encinal Regatta which was a success by everyone's account. We had a great dinghy regatta on summer solstice and closed out the year with my favorite, the Commodore's Cup, which was won by our intrepid Commodore. Sprinkled in was of course the Master Mariners Regatta and the annual Wheelchair Regatta and loads of cruise outs and cruise ins.

Junior sailing was at it's all time high this year and hundreds of kids learned and perfected their sailing skills right off our docks. One of the true highlights of the year was the formation of the Paddle Club and the inaugural October Paddle Splash Regatta.

## From EYC Commodore Theo Rohr

The Flag's single most exciting achievement of the year was acquiring the J-22 "Blue Jay" for the Club Sailing Program. Through fundraising by the Flag and the generous donations of club members we intend to build a new program this coming year that will give any member the opportunity to get out and enjoy our great waterfront in a sailboat. These value added programs, like our pool and boat storage and launching facilities are what make our club stand out from the pack. It's how we stay young and strong.

I don't want to finish before I acknowledge some of our losses. We lost some outstanding members this year that we will never forget. I thank just the chance of meeting these guys who were so important in building the club we now enjoy. Also an important staff member of Encinal Yacht Club has moved on to pursue his great career. I don't think there is a member who is not going to miss Rigo Headly. His services to our club have been priceless and a wonderful time in our lives. Thank you Rigo, happy trails and you will always be warmly welcomed at EYC!

See you on the waterfront,

Theo Rohr

# From EYC Junior Sailing Barb Grove

## Greetings!

The entire club has much to be proud of their Junior Sailing Program in 2018.

We wanted to make you aware of some 2018 highlights!

- We welcomed approximately 450 junior sailors (ages 6 to 18) through the program this year (350 summer, 100 fall/winter/spring)
- EYC Jr Sailors continued to represent us well in the Bay Area Youth Sailing inter-club regatta series against all the other clubs in the Bay Area and northern California this past summer. EYC sailors competed in four contested dinghy classes, winning the following classes: Laser Radial (Jonathan Andrews) and Opti (Dylan Wondolleck) - Both 2 years in a row!
- EYC Jr Sailors traveled to many regional and national events during the high school, winter, and summer seasons – including Belgium, Florida, Lake Tahoe, San Diego, Long Beach, New Orleans, and Santa Barbara.
- EYC High School Sailing is also flourishing (2017-2018 season), 13 different high school teams, 65 sailors, 3 teams ranked in top 20 out of 100- (Alameda, Monte Vista, Miramonte). And in 2018-2019 season - 13 schools, 90 sailors.
- We hosted Norcal 3 and 4 in November. Over 150 sailors representing 60 teams came each day. The following EYC Sailors/Teams Placed: 2nd Place Norcal 3 - Miramonte (Daniel Erisman/Devon Kurisu). 1st place Norcal 4 - Alameda (Jonathan Andrews/ Dylan Wondolleck). 3rd place Norcal 4 - Alameda (Cooper Butler Brown/ Gemma Hansen)

-We continue to have EYC alumni compete on college sailing teams – 13 currently, and a total of 48 alums in last ten years. We're proud of the fact that 17 have gone on to become captains of their college teams.

-We were able to offer meaningful summer job experience to a great crew of 15 certified sailing instructors this year, and are especially proud they all were home grown EYC junior sailing alums!

-We continued to rely and depend on the enthusiastic participation of over 90 very active EYC parent volunteers, who helped all aspects of the program: from running regattas; to fund

raising; to assisting with clothing sales and barbeque's; to organizing high school sailing teams; to driving trailers and 4th of July floats; and more. This group of volunteers contributed directly to the spirit of community at EYC, successfully organizing ran 18 large-scale events once again this year: (defined as >100 guests). -Approximately 72 new Junior sailing families joined EYC in the last 5 years - Welcome - - - reinforcing EYC's history as a family-oriented club.

## From EYC Junior Sailing Barb Grove

As we look into 2019, we will be focusing on maintaining the quality of our program offerings, staff, and safety of our boats. If you notice you don't see Mike Scott, he's currently taking a short leave of absence to further educate and improve himself on coaching, sailing offerings, and techniques around the country. Ellie Glenn, our Assistant Director, will be sitting in for Mike during this time. Please support Ellie and Brianna Devlin, our Administrative Assistant throughout this time!

Lastly, we want to make you aware of several events coming up in the near future. As always, you can look on our junior page for other important dates and events:

### **Sunday, December 16th**

Jr Sailing Alumni Regatta

Jr Sailing College Sailing Panel @ 5PM

Jr Sailing Holiday Dinner @ 6PM

### **Saturday, January 26th**

Jr Sailing Crab Feed

## 2018 JUNIOR SAILING Annual Holiday Dinner & Gift Exchange Sunday, December 16

Please **RSVP HERE**

By Wednesday, December 12

Dinner: \$20

Kids 5-10: \$10

# EYC Finance Committee

## Rick Webb

### EYC Finance Committee

Beginning in 2018, under the leadership of Bill Nork, President, and Mike Gorman, Treasurer, the Finance Committee (FC) was reborn with four members: Grace Hess, Kevin Clark, Jim Vickers and Rick Webb. Bill, Mike and Charlie

Thome, Sr. Vice President, represented the EYC Board of Directors at FC meetings.

For several years prior to 2018, EYC had financial challenges, incurring substantial losses each year. The financial record keeping at EYC was in disarray. It was recognized that EYC could not continue to operate in this manner and survive. Thanks to the leadership of Bill and Mike, substantive measures were implemented early in 2018 to change the financial viability of the Club. One such change was to organize a FC to assist club officers with financial management of the Club.

The primary role of the FC is review and analyze financial data, investigate areas of concern, develop facts, and formulate recommendations to the Board of Directors. The first order of business in early 2018 was to develop a budget to guide club management. This proved to be a difficult task given the state of the financial records. However, a budget was developed and approved by the Board of Directors. A mid-year review was accomplished by the FC, which resulted in a refined/revised budget.

The FC paid special attention to the financial operations of the Club, particularly to areas producing losses. For example, the bar operation was turned from a loss position in 2017 to high profitability in 2018. While a good start, even more will be done to improve bar operations. The FC looked at the Club's purchasing activities and procedures to ensure expenditures were proper. Again, this will continue to be monitored by the FC. A property tax appeal was filed with Alameda County

in an attempt to reduce the amount paid on Club property. This appeal is winding its way through the appeals process and may take one to two years to resolve. In reviewing financial data, the FC made recommendations to management to take action on various aspects of club operations.

In late 2018, the FC will produce a 2019 budget based on solid financial data. It is anticipated that this budget will be prepared by the FC and approved by the Board of Directors before December 31, 2018.

The FC wishes to recognize and thank Lori Bateman, EYC Controller, for all her work in assisting with financial matters. Lori has developed meaningful financial statements and analysis. She has also implemented much needed internal control procedures for the Club.

The FC membership is being expanded by two for the coming year with Jennifer Gardyne and Bill Nork joining the group. Both bring extensive expertise and experience to the committee.

Finally, the FC has a couple of recommendations for club members. Remember, EYC does not run on dues alone. It must produce revenues from other sources, for example Dining, Bar, Jr. Sailing, Showcase and boat storage, to be financially viable. Therefore, members are encouraged to support your club through these activities. Also, it would benefit the Club greatly, both for finance and efficiency, if members utilized E-Check on line to pay their monthly invoices. This is a simple way to make your payments. The office will be happy to assist you in establishing this method of payment. And, receiving monthly invoices on line, rather than through the U.S. mail, would substantially save the Club both time and money.

The FC will continue its work into the new year to ensure EYC remains a financially viable yacht club.

## EYC Member Liaison Election Committee Vern Bendsen

It was my privilege to chair the Election Committee this year. The other two members of the Committee were Jennifer Kennedy and Linda Bendsen.

This year, a total of 307 members were eligible to vote. Twenty five percent of the total membership needs to send in their ballots to have a quorum for the election to be valid. The quorum for this years was 77 eligible ballots.

One hundred thirty five envelopes with ballots were received. Of the 135 envelopes received, only 88 ballots were eligible to count. Forty seven envelopes were ineligible to count.

The election committee always have surprises in the ballot envelopes.

This year the ineligible envelopes were as follows: one envelope has a monthly dues check in it; four envelopes had a monthly statement and a check for the dues; three envelopes has names on them, but we could not decipher the writing of the names.

The other envelopes did not have any name on the front as pre-scribed in the directions that

came with the ballots; therefore, we could not approve the ballots.

Only 88 ballot envelopes were eligible to count out of 135 ballot envelopes; that means only about 67percent were counted. For a better vote next year, the Election Committee suggests that the voters read the direction and write so your name can be read.

If anyone has any questions, please let me know. We have an outstanding Club, so let us all do our best to maintain the best club in the Bay and elsewhere.

## EYC House Chairs

### **House Chair Stacey Paluch**

Hello Membership,  
I am looking forward to  
a fun year with lots of  
social events!

We will soon update  
the yearly calendar  
with upcoming events.  
If there are any events

or theme parties that you would like added,  
please do not hesitate to reach out to me. We  
had a great turnout for the tiki bar christening,  
and I am sure there will be many fun-filled  
events built around it.

### **Ship Store/Showcase Edie Herro & Anita Mahoney**

Hopefully, you have noticed how fashionable  
our members and staff have been looking  
lately. Since Fall of 2017, the Ship Store's  
goal has been to provide stylish quality  
merchandise at a fair price that our members  
would wear with pride. To date, that goal has  
been met! Members and staff have supported  
our efforts to the tune of \$22,500.00.

Encinal Yacht Club's Ship Store is again  
ready for the Holidays! We have the latest in  
stylish nautical fashion and gifts. Whether you  
choose Helly Hansen jackets and vests, burgee  
embroidered shirts and caps, or gifts like wine  
totes, acrylic glassware, ties, belts, and dog  
collars, you will love the Encinal Yacht Club  
look.

Before you take the stairs to socialize in the

As you know, New Year's is approaching and  
we are going with a dining theme of "Around  
the World" (details to follow).

Monday night football dinners have been  
gaining enthusiasm amongst the members,  
and we hope to keep the momentum. Once  
football is over, perhaps we can come up with  
more fun social ideas.....Bunko anyone?

Remember, our events can only be successful  
with our member's support!

See you at EYC,

Stacey

bar and dining room, stroll over to our display  
case and start shopping. The Ship's Store is  
open for purchases during regular club hours  
by asking the office staff to assist you or you  
can contact us, Anita Mahoney or Edie Herro  
to make a "shopping" appointment. Email us  
at: herro.edie@gmail.com or denismahoney@  
comcast.net.

P.S. We are always looking for new ideas. If  
you have any suggestions please let us know.

# From EYC Cruise Captain Ed Lecco

2018 EYC Cruising  
Fleet...  
what a GREAT year!

2018 was an awesome  
year for the EYC  
Cruising fleet. The Fleet  
visited Treasure Island,  
West Point Yacht  
Harbor (Redwood City),

Benicia, Marin Yacht Club, Sausalito, Potato  
Slough (California Delta), Half Moon Bay, and  
China Camp. We also had a Cruise in to EYC  
for the 4th of July.

By the time you read this we will also have  
completed our final event of the year – the  
Cruising Awards dinner. The dinner is an  
opportunity to recognize individual cruisers,  
announce the Cruiser of The Year as well as  
who receives the coveted (not!) Half Fast  
Award. We also hand out Cruising Award  
Plaques to each EYC member that attended  
at least one cruise in 2018. If you didn't go

to this event, put it on your calendar for next  
year.

On December 1st I'll be meeting with EYC  
Cruisers to plan our cruise calendar for 2019.  
We should have a preliminary cruise calendar

published on the EYC website by mid to late  
December.

I'd like to recognize and thank all of the Cruise  
Leaders. These are volunteers that plan all  
aspects of every cruise. Meals, appetizers,  
berthing, dinner reservations, activities and  
much more. Thank you to the following:

- Susan & Dave Sherrill – Treasure Island
- Chuck & Edie Herro – Benicia
- Jim & Jen Vickers – Marin
- Carol & Neal Weinberg – Sausalito
- Susan & Bill Nork – Half Moon Bay &  
China Camp

Lastly....if you have never been on an EYC  
cruise make a New Year's resolution to do  
so in 2019. Would love to see new faces on  
our cruising adventures. Contact me for  
additional information.

Fair Winds & Following Seas!

# EYC Appointed Officers

## **Nominating Committee**

**Chair: Mike Scheck**

The nominating committee is responsible for determining the slate of nominations for Officers & Directors to be voted on at the Annual Meeting.

## **Small Boat Fleet Captain**

**John Hansen**

The Small Boat Fleet Captain runs EYC small boat races in the Estuary.

## **Port Captain** **Mike Byroads**

The port captain is responsible for EYC dock management. This requires organizing and monitoring boats from cruise in's, regattas, and member's stays.

## **Long Range Planning Committee**

**Chair: Jim Vickers**

The committee is responsible for guiding the Board of Directors and Club Membership concerning policy and direction of the club into the future.

## EYC Membership Committee Mark Sneddon

As 2018 comes to a close, the membership committee wanted to share some of the exciting events we are planning for 2019. We have 3 new committee members with a focus in marketing. As a result, look for new messaging about our activities coming in 2019. Our focus for the 2019 year is to promote the club to the Alameda community as well as the broader boating community around San Francisco Bay by utilizing local resources and advertising outlets.

Surveys!! We want to hear from you, the membership. We value your thoughts on the club and anything we should be doing differently to enhance your experience. You should have received the first survey in early November. We will be sending out a series of additional surveys during the year. Your voice is important to us, so please take 5 minutes to respond.

2019 will include a variety of events focused on bringing our membership together. Among those planned, look for quarterly mixers in the clubhouse to meet the 1st Year members and reconnect with old friends. We will be scheduling movie night for the kids to allow parents and adults some time upstairs at the bar. This past August we held our Second Annual Boats in the Basin mixer with great success so we will be keeping that on the

calendar in 2019. Our Port Captain has challenged me to fill the basin this year with as many power boats, sailboats, inflatables, skiffs, canoes, kayaks and paddleboards. Challenge accepted, look for your invite as we will be calling on ALL the membership this year to make Mike's vision come true.

In closing, I'd like the membership to think about what the club means to each of you and your experience over the past year. For me, it was watching my son attend his first sailing camp in July, Wednesday night BBQ's, living on our boat for those 3 weeks and seeing him become a better swimmer along with his friends at the pool. I know we are all proud of the club and I would like us all to share our stories with prospective members. My request, if you see someone with a 1st Year ribbon on their badge please take the opportunity to welcome them to the club. If you would like to explore volunteer opportunities at the club or join any of our wonderful committees you can email [markdsneddon@gmail.com](mailto:markdsneddon@gmail.com) for more information on how to get involved.

Happy Holidays and I look forward to seeing all of you around the club in 2019!

## EYC Tiki Bar

### **Big Thank You For Our New Poolside Tiki Bar!**

Thanks to everyone who participated in making this project come to life.

Mary McGrath, Kevin Clark, Don Ahrens, Bill Nork, Timothy Eaker, Richard Pipkin, Grant Hayes, Shelly & Tom Bliss & Eddie Smith.

Encinal Yacht Club

# NEW YEAR'S EVE 2018

## AROUND THE WORLD PARTY

MONDAY, DECEMBER 31, 2018

Cocktails & Appetizers at 7pm

\*\* No Shorts or T-Shirts

## EYC Committees & Volunteer Opportunities

### **Race Committee**

Come join the Encinal Flag Officers and help with running regattas on the water!

Contact the EYC office for more information.

### **House Committee**

Interested in helping with fun events at the club. Sign up to help by contacting the House Chair.

Stacey Paluch  
paluch70@gmail.com

## **Encinal Yacht Club Sailing Foundation**

The small crane hoist which has been out of service for some time has a new electric chain hoist installed and operating. Thanks to the the generosity of Pax Davis and the Millimeter fleet of owners. The Encinal Sailing Foundation worked in conjunction with this most generous group to get this accomplished.

A big thanks to Pax Davis and the Millimeter fleet.

Mike Gorman  
Foundation President
